Dear Mr. Keenan:

On February 10, 2006, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Freudenberg NOK General Partnership ("Freudenberg") in Bristol, New Hampshire. The purpose of the inspection was to determine Freudenberg's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Freudenberg was issued Letter of Deficiency No. WMD 06-006 (the "LOD"). Based upon a review of Freudenberg's submittals received since the inspection, DES has determined that Freudenberg has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Freudenberg's compliance status through record reviews and on-site inspections. This Letter of Compliance does not release Freudenberg from liability for penalties to which it may be subject for the violations identified in the LOD.

If you have any questions regarding this letter, please contact the lead inspector, Tammy Calligandes or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

John J. Duclos, Administrator
Hazardous Waste Compliance Bureau
Waste Management Division
